

Quenching, Refreshing, Inspiring: Agape Latte™

An On-The-Go Devotional

Shaped like a large cup of coffee, this booklet conveniently fits in the cup holder of a car or jump-starts your day at the breakfast table. The real appeal, though, is what's written inside: an on-the-go devotional. Flip to any page to ponder about another aspect of love, enjoy God's word, and be challenged to live a life of love.
